Part 4 - Sharing Information

Sharing Information with your landlord can help us deal with your claim more quickly and reduces the risk of you falling behind with your rent because of your claim being delayed. We would only share information with your landlord if you have agreed that we can pay your Housing Benefit straight to your landlord.

Under the Data Protection Act we need your permission to share information. If you give us permission, we would be able to tell your landlord:

- Whether or not you had claimed or renewed your claim for Housing Benefit and, if so, whether or not we have made a decision on your claim; and
- If we need more information to make a decision on your claim and, if so, what information this is.

There may be other information about your claim that we need to check with your landlord, such as the date your tenancy started, before we can make a decision on your claim. If this is the case, we have to ask your landlord even if you have not given permission to discuss your claim with them. But unless you have given us permission by signing this form, we will not discuss anything else with your landlord.

We will not give your landlord any information about:

- Your personal or household circumstances; or
- Your financial circumstances

If you do not give us permission to discuss your claim with your landlord, it will not affect your claim. If you give us permission but then change your mind, just contact us and let us know. If you want to give permission to share information with your landlord, please sign below.

I give you permission to share information about the progress of my Housing Benefit claim with my landlord and anyone listed below.

Part 8 - Notes for filling in this claim form for Council Tax Reduction Scheme, Second Adult Rebate, Housing Benefit and Free School Meals

About this form

We have designed this claim form to be easy to fill in. There needs to be enough questions to make sure that everyone who claims gets the right amount of benefit. You may not have to fill in all parts of the form (for example, a few questions would not apply to most pensioners) but you must fill in any part that is relevant to you.

About Council Tax Reduction Scheme

Council Tax Reduction Scheme applies from 1st April 2013 and your means-test award will be reduced by a prescribed percentage as set by Halton Borough Council.

About Housing Benefit

Housing Benefit can pay all or part of your rent. It may give you some money towards things you have to pay for, like cleaning shared areas.

If you are of **pension age** you will continue to apply to Halton Borough Council to claim Housing Benefit for assistance with your rent.

If you are of **working age** you will be required to claim Universal Credit from the Department for Works and Pension for assistance with your rent.

The exception to this is for those in supported accommodation (people who receive care, support or supervision). If this applies to you, then you will continue to apply to Halton Borough Council to claim Housing Benefit for assistance with your rent.

Second Adult Rebate

Second Adult Rebate can help with your Council Tax and is for people who may not have a partner but who share their home with someone who is over 18, on a low income and does not pay them rent.

If you are claiming Second Adult Rebate, only complete Parts 1 and 6 of this form

Free School Meals

We will use this claim form to give free school meals to your child/children if you are their parent or guardian and you meet the criteria for free school meals.

Proof

We need to see proof of some of the things you tell us about. There is a check list on part 7 of the form to help you. If you are not sure if we need to see proof of something, get in touch with us. We will tell you what we need to see. We cannot pay you benefit until we have seen the proof we have asked for.

If you need help to fill in the form

If you need any help contact us on 0151 511 7772 or for Minicom 0151 907 8346

Filling in the form

Please use black ink. Do not use pencil. If you make a mistake, just cross it out and put the right answer next to it. Do not use correction fluid or tape.

Changes you must tell us about

For example:

- Any of your children leave school, leave higher education or leave your property
- Anyone moves into or out of your home, including lodges and sub tenants
- Your income or the income of anyone living with you changes; including benefit changes
- Your capital or savings amount goes down or goes up
- You or anyone living with you becomes a student, goes on a Youth Training Scheme, goes into hospital or a nursing home, goes into prison, or changes leaves a job.
- Your rent changes
- You move
- Your or your partner to be away from home for more than a month
- You or anyone living with you starts work
- You receive any decision from the Home Office

This is not the full list. If you are not sure, please contact the Benefits Service for advice. You must tell us about changes in writing - a phone call or an email is not enough. If you do not tell us about any changes, you may lose money you are entitled to or you may get too much benefit. You must make sure that you tell us about any changes. Do not rely on someone else to pass the message on. It is an offence not to tell us about any changes that may affect your benefit. We may take court action against you and if we pay you too much benefit, you will have to pay it back.

We may pass the information to other agencies or organisations such as the Department of Social Security, the Employment Service and the Inland Revenue, as allowed by the law.

By law, we may check the information you have provided, or information provided about you by someone else, against other information we already have. We may also ask other agencies, organisation, local authorities or government departments to give us information they have about you to:

- Make sure the information accurate
- Prevent or detect crime; and

Halton Borough Council is the data controller for the purpose of the Data Protection Act 1998.

If you want to know more about what information we have about you, or the way we use that information, you can ask.
