Admission to
Secondary School
2019

Apply online at www.halton.gov.uk/schooladmissions

Closing date for Secondary School Applications:
31st October 2018
Dear Parent/Carer,

This booklet produced by Halton Borough Council sets out the arrangements for the transfer of children from primary to secondary education for the academic year beginning in September 2019.

The booklet contains important information, which you should read carefully before making the important decision of expressing a preference for a school (or schools) for your child/children to attend. I hope you will find it helpful and informative. It is also beneficial to visit the school(s) you are interested in before submitting your application.

It can only give a brief outline of policy and procedures. If you need further information, please do not hesitate to contact individual schools or the School Admissions Team on 0151 511 7271 / 7338. This booklet is available online at www.halton.gov.uk/schooladmissions and if you follow the links you will also find our online preference form which allows you to complete and return your preferences electronically.

As parents/carers it is important you are aware that the preference you express for a school will depend on the particular criteria that are explained in the booklet. You should note that you cannot simply choose a school.

Starting school for the first time, or transferring from one school to another, is an important step for parents and children. I hope this guide, and seeking further advice if necessary, will help you and your child/children to look on the experience with confidence. Staff in all our schools look forward to working with you in support of your child/children and their learning, as we know that those children who succeed best at school receive understanding and support from their home.

It is important that you complete the online preference form or paper copy (on request) before the closing date of 31st October 2018, as late applications will normally only be considered after the main allocation of places has taken place, and may result in you not obtaining a place at your school of preference.

On behalf of Councillor McInerney, Portfolio Holder for the People Directorate, and myself, I would like to take this opportunity to wish your child/children a successful and happy career at school.

Milorad Vasic
Strategic Director, People Directorate

Note: The information contained in this guide was correct at the time of preparation (July 2018) but could alter in the light of Government legislation and local policy developments.

ADMISSION TO SECONDARY SCHOOL IN HALTON

How to apply for a Halton Secondary School Year 7 place in September 2019

Halton Local Authority (LA) has an agreed coordinated scheme for admission to secondary schools in September 2019.

This means that when you complete the online preference form or a paper copy (on request), you may put any secondary school regardless of which LA it is in, but please consider carefully whether your child will meet the admissions criteria. Once you have submitted the preference form consideration to your preferences will be given, and if your preference is for a school in another LA then Halton LA will forward details on to the relevant LA. The preference form is for completion by Halton residents only. Parents/Carers of pupils from other LA’s should complete their own LA form, but may include Halton schools as preferences on their form.

Complete a form online at: www.halton.gov.uk/schooladmissions

Applications for all schools are considered in strict accordance with the relevant admissions criteria and it is important that you read and consider the admissions criteria contained within this booklet before submitting your application.

If you have requested a paper form, Halton residents should return this form by hand to a Halton Direct Link Office:

- Halton Direct Link
- Concourse level
- Rutland House
- Halton Lea
- Runcorn
- WA7 2ES

Or return the form directly to*:

School Admissions Team
People Directorate
Rutland House
Halton Lea
Runcorn
WA7 2GW

*As receipts cannot be issued for paper copies of the preference form received via postal services, it is strongly recommended that you send the form by a recorded delivery service, or alternatively apply online

To ensure your application is received and processed, forms must not be returned anywhere other than to the above sources. DO NOT return your form to a school.
FREQUENTLY ASKED QUESTIONS

What is an admission policy?

An admission policy is used to decide which children will have priority for places but only if the school receives more applications than the number of places available. The Council has agreed one admission policy for all community and voluntary controlled schools in Halton. Voluntary Aided and academy schools each set their own individual policy agreed and determined by the governing body of the school. Admission policies contain the “oversubscription criteria” which will be applied to assess each application.

What happens if I send the preference form in after the published deadline?

Preference forms received after the published deadline of the 31st October 2018 for all Halton Secondary Schools will be treated as a late application and will not be considered until after the main allocation of places has taken place for all those applications received on time.

DON’T BE LATE – YOU MAY MISS OUT ON A PLACE IN THE SCHOOL YOU WANT

What is a Published Admission Number (PAN)?

This is the number of places available in the reception class. Once the PAN has been reached, the admissions body cannot admit any more pupils.

What happens if I don’t complete a preference form?

If you do not complete a preference form we will not know about your child and the schools which you prefer. You may then find that the school you prefer is full, after the placement of children for whom forms have been received.

Can I complete and submit the form online?

Yes, we highly recommend that you complete the preference form online at: www.halton.gov.uk/schooladmissions

Changes to preferences, home address and other details can be made online, and forms can be edited and re-submitted online up to the published deadline of 31st October 2018. The online facility is not available after this point.

An email receipt of your application will be sent to the registered email address used in this process, immediately after you have submitted your application. Please check your junk mail/spam folder if you have not received this email, and if it is not there please contact the School Admissions on 0151 511 7271/ 7338.

Please REMEMBER:

- There is no automatic transfer if you have an older child attending your preferred school. It is vital that you complete and submit an online preference form, or paper copy (on request), before the closing date.
- Putting your child’s name on a school’s interested list does not constitute a formal application. You must still complete a preference form.
- You can name schools in Halton and any other Local Authority on your Halton Preference form.
- Do consider the oversubscription criteria for Schools you express as a preference.

There is no guarantee of a place at any school.

ADMISSION TO SCHOOL

Parents/Carers with a child entering school for the first time or moving into the area, who are uncertain of the appropriate school for their child, should enquire at the nearest school or to the School Admissions Team within the People Directorate, on 0151 511 7271 / 7338. All our information regarding admission to school is also available at www.halton.gov.uk/schooladmissions.

There are four main types of secondary school. These are:

1) COMMUNITY
2) ACADEMY
3) VOLUNTARY AIDED (CHURCH)
4) FREE SCHOOLS

Halton Local Authority is the admissions authority for all Community Schools in Halton, and deals with applications for places at these schools. In the event of over subscription at any of the Community schools, places will be allocated using the published oversubscription criteria detailed in this booklet.

The school governors will decide the allocation of places at Voluntary Aided (Church) Schools in accordance with their published admissions policy, but the LA administers the transfer process from primary to secondary school on behalf of all secondary schools in Halton.

General information about Church schools in Halton can be obtained from the appropriate Diocesan Education Authorities. Addresses and telephone numbers are set out below:

ALLOCATION OF PLACES TO HALTON SECONDARY SCHOOLS

In order for the LA to allocate school places for September 2019, all parents are asked to complete a preference form by applying online at www.halton.gov.uk/schooladmissions or completing a paper copy (on request). On the form you are invited to express up to three preferences. This will enable parental preferences to be fully considered, even if they cannot be complied with.

All preferences are considered equally against each school’s admissions criteria. After all preferences have been considered if only one school named on the preference form can offer a place the Local Authority will send out an offer of a place. If more than one school can offer a place parents will be offered a place at whichever of those schools is ranked highest on the preference form. This may not be the first preference school and there is no guarantee that you will be offered any of your preferences.

Allocation of places to Academy Schools, Free Schools and Voluntary Aided Schools

Each school has its own admissions criteria that are published in the school’s prospectus and detailed in this booklet. Information on the parishes/area served by these schools, (for VA Schools) and further details on the admissions policy may also be obtained from the schools. It is highly recommended that you visit your preference schools and read each school’s individual admissions policy completing a preference form.

What happens if a School becomes oversubscribed?

Sometimes more applications are received for a particular school than there are places available, and this means that the school is oversubscribed. When a school is oversubscribed places will be allocated in accordance with the relevant oversubscription criteria for that school, as detailed in this booklet. In the instance of a tie regarding distance for the last place to be offered (to two decimal places in metres), a place will be offered using the electronic admission system’s random allocation function.
APPLYING FOR A SCHOOL - FURTHER INFORMATION

- Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order) immediately after they were looked after.

- Children who have a Statement of Special Educational Needs/Education, Health and Care Plan, will be admitted to the school named in the statement/plan. Please discuss your child’s application with the SEN department at the Local Authority.

- Where applications are received for twins, triplets etc. the Local Authority will apply the oversubscription criteria and will oversubscribe the community school if a family would otherwise be separated.

- The address to be used in measuring distance for the purpose of allocating school places will be the child’s permanent address at the closing date of 31st October 2018. The above criteria will apply without reference to the Halton Borough Council boundary. Distance will be measured by the LA using the LA’s Ordnance Survey GIS address point system which measures from the address point of the child’s permanent address to the address point of the school in metres.

- For Community Schools, if oversubscription occurs within any one of the above criteria, places will be allocated on distance grounds as described within the distance criteria above.

- If none of the parent’s preferences can be met, in accordance with the Department for Education (DfE) School Admissions Code, Halton LA will allocate a school. In Halton, a place will be allocated at the nearest school with vacancies to the home address measured in a straight line distance measurement from the child’s permanent residence to the school. This does not affect parent’s rights to appeal for a place at the school(s) they have been refused.

- The law does not give you the “right” to choose a school for your child. However, it does allow you to make a preference as to which school you would like your child to attend. The admissions authority for each school will try and meet that preference in accordance to their admissions policy and oversubscription criteria.

- Parent/carers completing an online preference form will be able to view their offer of their child’s secondary school place on the 1st March 2019. Offer letters will also be posted on this date to parents/carers who have submitted a paper copy of the preference form in application.

Who should apply for Year 7?

If your child was born between 1st September 2007 and 31st August 2008, he/she is due to start secondary school in September 2019, therefore you need to apply by 31st October 2018.
ONLINE APPLICATIONS

Applying for a school place online

Halton Borough Council offers an online service to parents/carers who are applying for a reception class place in a Halton Primary School for September 2019.

How to apply online

If you live in Halton and your child is due to transfer to primary school in September 2019 we highly recommend that you apply online at:

www.halton.gov.uk/schooladmissions

If you are not a Halton resident, you cannot complete the Halton form and you should contact the council within the area that you live. That authority will then provide you with details of how to apply online.

You will be required to create an account. It is important that you keep a note of your password and security question, as you will need this to view the outcome of your application on offer day.

Follow the steps and guidance through the online system, making sure you have completed each section and submit your application. You will receive an acknowledgement email once you have pressed submit. If you do not receive an acknowledgement email, you must contact the local authority as this may indicate that your application has not been received.

Benefits to online application

There are many benefits to making an online application for school admissions, including:

- It’s quick, secure and easy to use at www.halton.gov.uk/schooladmissions.
- Applicants can view their offer online on the published offer day, rather than waiting for the offer letter to be received in the post.
- You can apply from home 24 hours a day, 7 days a week.
- There is no risk your application will be lost in the post, or elsewhere.
- The system guides you through the application and alerts you if any errors have been made.
- When you have submitted your application, you will receive an email confirming receipt.
- You can log in and view your child’s school offer on 1st March 2019 (no hard copies will be sent).
- You will also receive your offer of a school place by email on 1st March 2019.

Please note that if you are applying for a voluntary aided school and you are requested to submit a supplementary information form, this has to be sent in the post and your child’s name and date of birth must be clearly stated at the top of each page. The information should then be returned directly to the school, and not to the Local Authority.

The online system is available 24 hours a day, 7 days a week up to the closing date of 31st October 2018. If you are applying after that date you need to contact the School Admissions team for a paper copy of the preference form.
ADDITIONAL ADMISSIONS INFORMATION

Waiting Lists

Waiting lists will be held for all oversubscribed Secondary Schools. The waiting list will comprise those pupils refused admission to the school(s) of preference, ordered by the oversubscription criteria of the admission policy. This list will be maintained from the time of initial allocation until the 31st December 2019, at which point the waiting list will cease. If a place becomes available at an oversubscribed school, the place will be reallocated in accordance with the published oversubscription criteria. Parents/Carers should be aware that their child’s place on the waiting list might alter, either up or down, dependent upon the movement of other applicants.

Equal preferences

In accordance with regulations, the equal preference model will be used to consider applications for all maintained schools.

In an equal preference scheme your first, second and third preference will be considered at the same time. If potentially you can be offered a place at more than one of your preferences (i.e. because you have a high enough priority for an oversubscribed school, the school is undersubscribed or because the school receives the same number of applications as the number of places available) the single offer will be for the school you ranked the highest on your application form.

Late applications

All applications received before the closing date will be dealt with at the same time. A preference form received after the closing date of 31st October 2018 will be deemed as late and all late applications will be dealt with after those received on time. Please be aware that a late application will reduce your chance of gaining a place at your preferred school.

If the late application is received after places have been allocated and the school(s) are oversubscribed, the child will be placed on the waiting list, along with all other unsuccessful applications. The child’s position on the waiting list will be then determined by the admission policy, not by the date received. Parents/carers have the right of appeal if admission is refused and details on the appeals process are provided later in this booklet.

If parents are making a late application to a voluntary aided school the Local Authority will notify the governing body that the application has been received late and the School will advise how this will be dealt with.

Place of residence

Where a child lives with parents with shared responsibility, each for part of a week, the child’s ‘permanent place of residence’ will be determined as the address of the parent who normally has the responsibility for the majority of school days in a week. It may be necessary for the Authority to carry out checks to confirm that addresses given are genuine. Parents may, therefore, be asked to provide documentary evidence of their child’s home address, for example, but not limited to, Council Tax Statement, Benefits Statement and Utility Bills.
Change of address

If you move house after the closing date of 31st October 2018 you must notify the School Admissions Team on 0151 511 7271 / 7338. You may be required to complete a new preference form and will be advised of this at the time. If required, you must complete the preference form and return it to the School Admissions Team immediately. Proof of change of address will be required to support your application. Please note: the address stated on the application must be where the child is currently residing, and not a future address.

IMPORTANT:
Your address and criteria will not be changed unless supporting evidence of the house move is received by the Local Authority. This information must be received by 21st January 2019.

Proof of residency received after this date will not be used for the initial allocation of School Places

Change of preference

If you decide to change your preference after the closing date of 31st October 2018 you will need to complete another preference form and your previous preference form will be disregarded. The online facility will not be available after this date and you must complete a hard copy preference form. If places have already been allocated the LA may not be able to meet your change of preference. Please be aware that a change of preference after the closing date will result in your application being treated as a late application and may affect your chances of gaining a place for your child at your preference school (s).

Withdrawal of offer of a school place

The Council reserves the right to withdraw the offer of a school place if it has been offered in error, or it is established that the offer was obtained through a fraudulent or intentionally misleading application. This may include where a fraudulent/intentionally misleading preference form is submitted claiming a false sibling or false residence, or the child’s date of birth has been falsified.

Accepting an offer of a school place

In Halton, you are not required to accept an offer of a school place. Places are automatically accepted once they have been offered, unless you notify us otherwise. Other local authorities may request that you formally accept the place and you should check this when making a preference for a school (s) in another local authority. If you wish to decline your offer of a school place for your child, you must do this in writing as soon as possible, preferably by emailing schooladmissions@halton.gov.uk and explaining that you do not wish to accept the offer and notifying us of the alternative arrangements for your child.

ADMISSION APPEALS PROCEDURE

Parents/carers who are not offered a place at any of their preferred schools have a right of appeal to an independent appeals panel under section 94 of the School Standards & Framework Act 1998. Appeals must be submitted in writing but parents/carers have the right to present their case to the panel in person. The Chairman of the appeal panel will be a lay person having no connection with the LA. Other members of the panel will be suitably experienced persons.

Applications for admission to Aided Church schools will be referred to the Admissions Committee of the governing body of the school concerned. If the application is not approved, parents will be notified of their statutory right of appeal.

The decisions of independent appeals panels are binding on the LA and on the school’s governing body.

There are different appeal arrangements for pupils with a statement of special educational needs.

How to appeal

If you wish to appeal against a decision not to admit your child to a particular school, you should contact School Admissions on 0151 511 7271 / 7338 or email schooladmissions@halton.gov.uk who will provide you with an appeal form. You should then submit your appeal to:

School Admissions, Rutland House, Halton Lea, Runcorn, WA7 2GW

In general, the following arrangements will be made for all appeals:

- At least 10 days prior to the hearing, the clerk will notify you of the time, date and location of your appeal.
- Approximately 7 days before the appeal you will receive an agenda and supporting paperwork
- The appeal will be heard before an independent panel who will have a copy of the appeal submitted by you
- You will be notified in writing of the appeal panels decision and the grounds upon which it was made

The decision of the appeal panel is binding on all parties.
Applications made outside the normal admissions round (in-year admissions) should be made to the Local Authority. You can apply for a place for your child at any time and to any school.

The Secondary In-Year application form will be available from any Halton School, or from Halton Direct Link.

Halton residents will be asked to complete an in year application form which will be considered under in year procedures as described below. If you live outside Halton you should contact your home authority.

**General Advice for In Year Applications**

Parents/carers of children who are already in a school who are seeking to move to another school for reasons other than a house move are **strongly advised** to meet and discuss the move with both the current school and the proposed admitting school before completing an application form. Please bear in mind that other schools may be full and that the upheaval may damage your child’s progress.

*If you decide to move your child, it is essential that you get a place at a new school before he or she leaves his or her current school.*

**Applying for an In-Year place**

Halton residents should contact the preferred school or School Admissions (0151 511 7271 / 7338). You will be asked to complete an in year application form and **return the completed in-year application to the School Admissions Team at Halton Borough Council**. A place will then be considered to be available at the preferred school if the number on roll within the year group is below the published admission number.

The LA will notify you in writing of the outcome of the In-Year application within 10 school days. Parents/carers wishing to appeal for an in-year place can appeal via the appeals procedure outline on page 27.

If you are seeking admission to a school in another authority then you must contact the relevant authority for details on how to apply for a school place.
Fair Access Protocols

The Fair Access Protocol concerns children and young people of compulsory school age who have difficulty securing a school place. In the first instance this will apply to unplaced children who are:

Fair Access Referral Criteria

a) Children from Pupil Referral Units who need to be re-integrated into mainstream education;
b) Children who have been out of education for two months or more;
c) Accompanied children of Gypsies, Roma, Travellers, refuges and asylum seekers;
d) Children who are homeless;
e) Children with unsupportive family backgrounds for whom a place has not been sought;
f) Children who are carers as formally identified by the LA and are supported by LA teams;
g) Children with special educational needs, disabilities or medical conditions but who do not have a statement or EHCP;
h) Children with attendance under 85% (including authorised absences) for the previous 38 week period;
i) Children in Year 11. After the Autumn term (in the Spring and Summer Terms only) Year 11 children will be automatically referred to The Bridge School;
j) Children with 10 days or more of fixed term exclusions during the previous 38 week period;
k) Children who are unable to secure a school place within a reasonable (3 miles) distance from their home;

For Halton resident families (or those due to move into Halton in the immediate future) there are three possible outcomes for applications requesting an in-year transfer to Halton secondary schools:

1. A place can be offered at one of your preference schools and you will receive a letter to confirm an offer of a place (subject to your child’s application not being eligible for referral to the School Admissions Referral Panel under Halton’s Secondary In-Year Fair Access and Managed Transfer Protocol);

2. A place cannot be offered at one of your preference schools and you will receive a letter advising that a place is unavailable due to oversubscription of the requested year group and will be offered the right of appeal (again, subject to your child’s application not being eligible for referral to the School Admissions Referral Panel under Halton’s Secondary In-Year Fair Access and Managed Transfer Protocol). If your child does not have a school place an offer will be made for the next nearest school with a vacancy; or

3. Your child’s application is identified as being eligible for referral to the School Admissions Referral Panel under Halton’s Secondary In-Year Fair Access and Managed Transfer Protocol. You will receive a letter detailing the reasons for referral and the date when the next panel will meet to make a decision regarding your application. You may also be asked to supply additional information to assist the panel in coming to a decision. In coming to a decision, the panel will consider all of the evidence provided and will follow the guidelines detailed in the Halton Secondary In-Year Fair Access and Managed Transfer Protocol. You will then receive a letter detailing the decision of the panel and next steps.

The full In Year Fair Access Protocol can be found at www.halton.gov.uk/schooladmissions
Home to School Travel and Transport

To comply with its duty Halton Borough Council will provide for home to school travel for children of statutory school age in the following circumstances:

1. Where a child under the age of 8 attends the nearest qualifying school over 2 miles or where a child aged 8 and over attends the nearest qualifying school over 3 miles, respectively from the child’s home address. This will be measured by the shortest walking distance along which the child, accompanied as necessary, may walk with reasonable safety. The route will be determined by the Council. (As such the route measured may include footpaths, bridleways and other pathways as well as recognised roads. The walking distance between home and school is measured from the pupil’s home gate or drive nearest to the school, to the nearest available gate of the school. A risk assessment of the route will be made if needed).

2. Children from low income families i.e. those entitled to free school meals or whose parents are in receipt of the maximum level of Working Tax Credit may be entitled to enhanced assisted school transport. This enhanced provision applies to Primary pupils aged between 5 and 11 from low income families attending the nearest qualifying school more than 2 miles from their home. Proof will be required by TC602, confirmation for free school meals, Working Tax Credit statement, Housing/Council Tax Benefit entitlement etc.

3. Secondary Pupils aged between 11 and 16 years may be entitled to enhanced assisted school transport if they attend one of the three nearest qualifying schools which are between 2 and 6 miles from the child’s home or the nearest qualifying school preferred by reason of a person’s religion or belief up to a maximum of 15 miles. Proof of low income will be required as detailed above.

4. Where a pupil lives within the statutory walking distance to school and a risk assessment identifies that there is no safe route that the pupil could reasonably be expected to take, assisted travel will be provided in line with the Sustainable School Travel Policy. This is based on route safety, not personal safety, and any pupil being accompanied by a responsible adult. The Council will be responsible for determining the safety, or otherwise, of the route.

5. In addition the Local Authority will use its discretion to provide Home to School Transport where a pupil attends a faith school for reasons of religion or belief (evidence will be required to support this e.g. baptism certificate or letter from priest/vicar). This will only be to the nearest voluntary aided or foundation school of the relevant religion/faith where the distance is over 2 miles for children under 8 and over 3 miles for children over 8. If a place is not available at the nearest voluntary aided or foundation school the Local Authority is not in a position to provide assistance with transport to an alternative school (unless low income conditions apply for Secondary Pupils as referred to above).

In all cases it is the responsibility of parents/carers to ensure their child’s safe and secure travel to and from school. Parents/carers are responsible for their children until they are received on school premises and the parent/carer has left the school. Further information including the full Home to School Travel and Transport Policy, application forms and bus timetable information can be found online at [www.halton.gov.uk/transport](http://www.halton.gov.uk/transport) or by calling 0151 5117444.

Provision of School Lunches and Free School Meals
Information regarding the provision of School Lunches and Free School Meals is available on the Halton Borough Council website at [www.halton.gov.uk](http://www.halton.gov.uk), and alternatively on each school’s website.

**School Uniform and Physical Education Kit**

Head teachers, in consultation with school governors, decide whether or not there should be a school uniform. Details of uniform, where appropriate, are given in each school’s prospectus, which can be obtained from the school. The LA is unable to assist parents with the cost of school uniform or physical education kit. All pupils are expected to conform to a reasonable standard of clothing, and parents are asked to try to ensure that pupils attend school suitably dressed.

For further information regarding School uniform, please visit the Department for Education’s website [www.gov.uk/school-uniform](http://www.gov.uk/school-uniform).

**School Performance Tables**

The latest performance tables for Schools are available via the Department for Education website at [http://www.education.gov.uk/schools/performance/](http://www.education.gov.uk/schools/performance/)

**Ofsted Reports**

Ofsted reports for all schools these are available via Ofsted’s website at [www.ofsted.gov.uk](http://www.ofsted.gov.uk)

**School Holiday Dates**

The dates for all Halton Schools for the Academic Year 2019-2020 will be published on the Halton Borough Council website at [www.halton.gov.uk](http://www.halton.gov.uk), and alternatively on each school’s website.

**Military Families**

For families of service personnel with a confirmed posting to their area, or crown servants returning from overseas to live in that area, Halton Local Authority will be able to arrange a School place in advance of the relocation, if a preference form, along with an official letter from the MOD, FCO and GCHQ stating a relocation date, is submitted. Please contact the School Admissions Team on 0151 511 7271 / 7338.

**Schools with Sixth Forms**

Applications for admission to the sixth form of a Halton School are dealt with by the school, in accordance with the published admission arrangements.

Children already in the school are usually not required to formally apply for places in year 12, but should have reached the minimum entry requirements for admission into the sixth form.
Children and Young People with Special Educational Needs

National figures show that one in five children and young people will experience a special educational need or disability (SEND) at some point during their education. Halton uses the graduated approach to provide for children and young people with special educational needs. The aim is to provide early help and interventions when a child or young person is identified as needing additional provision above that usually provided within the mainstream setting. Staff in educational settings, other agencies, such as Health & Social Care, or parents may raise concerns regarding progress and development but, in any event, concerns and interventions should always be discussed with parents/carers.

Once a school or setting has identified a pupil as having a special educational need or disability, progress will be closely monitored by the school. All support and interventions made by the school should be regularly reviewed and tailored to meet the needs of those children & young people, which can change over time.

Halton has developed a continuum of provision to cater for special educational needs.

Mainstream schools have funding in their budget to support children who are identified as needing more than the usual classroom differentiation. The school may provide extra one to one or small group classroom support or may provide different resources such as reading materials or IT programmes.

Educational settings can also request assessment and advice from a range of specialist services provided by the Local Authority and/or other agencies, such as Health. The setting can incorporate the advice into the child or young person’s support plan.

If more help is needed educational settings can make an application to the Local Authority for additional resources through Enhanced Provision which should detail interventions already implemented by the setting.

Enhanced Provision

- Following consideration by a Panel, the Local Authority may decide to allocate funding which can be used flexibly to provide one to one or small group teaching or equipment. This will be on top of the additional support already provided by the setting.
- In some circumstances the Panel may decide that a pupil would benefit from attendance at a Specialist Resource Base attached to a mainstream school. The bases have qualified staff specialising in particular areas of SEND. The aim is that children / young people will spend some time in the small setting but spend the majority of time in the mainstream class with expert support from staff from the base. The child or young person will be placed on the roll of the setting with the resource base.
- There are two Assessment Resource Bases for Key Stage 1 infants where children can be further assessed over a period of 2.5 terms. In these circumstances children are on roll at a mainstream school as their main attendance and on roll at the assessment base as their subsidiary attendance.

For further details, please visit Halton’s Local offer via www.haltonchildrenstrust.org.uk

Special Schools

For children and young people with complex special educational needs/disability, who need specialist teaching and/or equipment for all, or most of the time, it may be decided that a special school can best meet their needs. The Local Authority may be requested by the educational setting, parents or young person in their own right, if over the age of 16, to carry out an Education, Health & Care Needs assessment. The law requires a child or young person to have an Education, Health & Care Plan before being placed permanently in a special school (exceptions can apply to Academy Special Schools).
Some children & young people benefit from being on roll at a special school but spending part of the week included into a local mainstream setting. Every child legally has the right to a mainstream education. Parents should put a mainstream setting as their first preference of school on the admissions application form, except for the following circumstance, which applies to children and young people with identified SEN:

1. If your child is already in a special school and has an EHC plan or a statement, you can name a special school on your option form as your first preference.

2. If your child is in a mainstream school and has an EHC plan or a statement, a discussion will be held at the end of year 5 with parents, the child or young person, the SENCO and the Local Authority’s special needs team. If the recommendation is that your son/daughter would benefit from attendance at a special school, you can name a special school on your option form as your first preference.

Please note, if your child does not have an EHC plan or a statement, they cannot be offered a place at a special school, and you must not select a special school on your preference form. If you feel that your child will need a special school place the first step is to speak to SENCO at their current school or setting to discuss whether an EHC assessment is appropriate.

The LA has a Transport policy concerning those children or young people who may be entitled to transport to and from school due to their SEN and/or disability. The policy is available on Halton’s Local Offer website.

The Local Authority has a duty to provide an educational place that meets the needs of children & young people, does not affect the education of others in a setting and is an efficient use of LA resources. The LA will usually place children & young people in provision within Halton Borough. Preference for independent or non-maintained provision will only be considered if the LA has no appropriate provision within the borough to meet need.

The Local Authority makes every effort to reach agreement with young people & parents on appropriate special educational provision and school placement but if you are in disagreement with the Local Authority dispute resolution /mediation will be offered to try to reach agreement. Parents also have the right of appeal to the Special Educational Needs Tribunal.

Parents who have concerns about an educational provision and/or placement may contact the Special Educational Needs Team on 0151 511 7461. Parents may also contact SENDIAS (formerly known as the Parent Partnership Service) for information, advice and support on 0151 511 7733 or email: parentpartnership@halton.gov.uk

**Discipline and Exclusions**

Good discipline in schools is essential to ensure that all pupils can benefit from the opportunities provided by education. The decision to exclude a pupil must be lawful, reasonable and fair. Schools have a statutory duty not to discriminate against a pupil on the basis of protected characteristics, such as disability or race.

The Government supports head teachers in using exclusion as a sanction where it is warranted a pupil may be excluded for a fixed period of up to 45 days in a school year. However permanent exclusion should only be used as a last resort, in response to serious or persistent breaches of the school’s behaviour policy.
Parents have the right to make representations to the school’s Pupil Discipline Committee following a fixed term exclusion. If a pupil is permanently excluded the Governing Body of the school must review the head teacher’s decision to permanently exclude, if the Governing Body upholds the head teacher’s decision, parents have the right to ask for the decision to be reviewed by an independent review panel.

Where there is an allegation that the pupil has been discriminated against because of his protected characteristics parents have the right to make a claim for discrimination to the First-tier Tribunal. Additionally parents have the right to request the presence of an independent special educational needs adviser at the independent review, if they feel that the school has not made reasonable adjustment to meet a pupil’s special educational need.

A parent/guardian/carer should be notified by the head teacher without delay of any exclusion from school. The parent/guardian/carer should be notified in writing of the reason for the exclusion, the period of a fixed exclusion and in the case of a permanent exclusion the fact that it is permanent and the arrangements that will be put in place for the pupil’s education during the period of exclusion. Parent/guardian/carer should also be advised of the process to make representation to the school’s Board of Governors or the date of the Governors meeting to review the head teacher’s decision if this is required. Parent/guardian/carer should also be advised that for the first five school days of an exclusion parents are legally required to ensure that their child is not present in a public place during school hours without reasonable justification, if a pupil is found in a public place without reasonable justification during school a fixed penalty notice may be issued.

If your child is excluded for any period, and you require further information, you should contact the Attendance and Behaviour Service on 0151 511 7357.
