Hough Green is located in the north of Widnes. The ward borders Knowsley local authority and has the railway line running along the south. Hough Green railway station is located along the border with neighbouring Broadheath ward.

There are an estimated 6,801 people living in the Hough Green ward.

Like Halton overall, there are slightly more females than males residing in Hough Green, with the majority of this difference being due to those in the 45 to 69 age group. There are 1224 females aged 45 to 69 compared to only 1073 males.

The greatest majority of the male population of Hough Green is within the 0-9, 25-29 and 50-59 age groups.

There are two schools, a dentist, a pharmacy and a GP practice located in Hough Green ward. The children’s centre for the reach area is also located within the ward.
**Life Expectancy & Deprivation**

- 61% live in the 10% most deprived areas in England
