

Healthy School News

September 2019

In partnership : Health Improvement, Sports Development & School Games.

Healthy Schools Award and Healthy Early Years Status have been updated, new offers are now available. This year we are working closer than ever with a number of organisations to bring you a coordinated offer that supports the new Ofsted framework, and new DoE Health and RSE curriculum. If you haven't already contact Halton Health Improvement team to book a healthy schools visit to sign up.

CYP Brief Lifestyle Intervention Course

We are surrounded by opportunities to make unhealthy lifestyle choices. Our environment, the availability of unhealthy food and our digital way of living mean that as a population we are less active than ever and consuming excessive high fat, sugar and salt products.

1 in 3 children in Halton are either overweight or obese by the time they leave primary school. This course looks at the food industry and how it impacts on our food choices, and explores ways of supporting these health messages With children, young people and families. Please contact HIT to book on a course (3hr training) next available course is 27th November 09:30 – 12:30.

E-Safety Training

We are running 2 x CEOP led training events on :

21st January 2019 at Halton Lea Library

29th January 2019 at Kingsway Library

These events are aimed at pupils in year 5 and 6 and staff to learn key elements of e-safety & become CEOP Champions within their school.

Booking is essential

Merseyside have a **Daily Mile** Officer in post Grace Perry who will support your school to set up Daily Mile
